Dear Sirs:

Notice is hereby given pursuant to the requirements of Section 403(r)(6) (21 U.S.C. § 343(r)(6)) of the Federal Food, Drug, and Cosmetic Act and in accordance with the requirements of 21 CFR § 101.93, that Rexall Sundown, Inc. located at 6111 Broken Sound Parkway, N.W., Boca Raton, Florida 33487 has marketed a dietary supplement within the last thirty days under the Sundown Herbals brand name bearing the following statement(s) on the label and/or in the labeling:

Vein Guard™ Horse Chestnut: For leg vein health and circulation. Vein Guard Horse Chestnut seed extract helps to maintain vascular integrity and enhance circulation in the lower legs. Sundown Horse Chestnut is standardized to 18% Escin (54 mg per capsule) and also provides additional beneficial components such as flavones and coumarins for leg vein health. As a complement to Sundown's Standardized Vein Guard™ Horse Chestnut, take this product with Sundown Ginkgo Biloba and Sundown Bilberry. Ginkgo Biloba increases blood circulation and also protects against cellular damage. Bilberry helps to maintain healthy circulation, especially in the small capillaries. Standardized Horse Chestnut seed extract provides natural support for optimal leg vein health.

The undersigned certifies that the information contained in this notice is complete and accurate and that Rexall Sundown, Inc. has substantiation that the statement is truthful and not misleading. Pursuant to § 101.93 (a)(1), two copies of this notification are enclosed.

Sincerely,

Deborah Shur Trinker
Vice President of Regulatory Affairs
and Assistant General Counsel
